3. Everyone participates
4. Agreement through consensus
5. Stick to the agenda
6. No personal agendas
7. Don’t beat a dead horse

# Where are we?

# Where are we?

# Force Health Protection

- Healthy and Fit Force
- Deploy with them to protect
- Restore health: deployed, and at home

# Mission
# Force Health Protection

- Dental Health and Readiness are important variables in the Force Health Protection equation.
- Dental urgencies/emergencies represent 10-20% of total casualties in a contingency.
- Active Duty Dental Health and Readiness
- DoD Goal → 95% Operational Dental Readiness

# Navy Medicine Mission Force Health Protection

- ***It is the expectation of the SG that all Naval Medical personnel will be familiar with and able to articulate our mission <u>at any time</u>!!!***

- **4 Basic Tenets**
  - **1. Promote a Healthy and Fit Force**
  - **2. Deploy with them to protect them**
  - **3. Restore health when they are deployed**
  - **4. Restore health when they return home**

# Navy Dentistry's Strategic Plan

## Mission

**Ensure Dental Readiness While Optimizing Dental Health!**

## Vision

**Dental Health for Those Entrusted to Our Care!**

# NDCSW ESC

Questions?

1. CDs are you sharing the ESC minutes with your staff?
2. Where do we want to go now?
3. Meetings, How Many, How Long

# INSPECTION PROGRAM

- Attention is given to five focus areas:
  - (1) Readiness -- warfighter support and deployment readiness
  - (2) Optimization -- delivering healthcare effectively and efficiently
  - (3) Integration -- maximizing partnerships
  - (4) Alignment -- horizontal and vertical process alignment
  - (5) Covenant Leadership -- taking care of ship and crew

# Military Health System — Measures for Success

***THE ASSISTANT SECRETARY OF DEFENSE***

**A set of performance measures aligned with our strategic priorities.**

**Each of our measures provides important and regularly scheduled assessments of our system performance — in medical readiness, health care quality, efficient use of resources, and customer satisfaction.**

- ***Individual Medical Readiness.***
- ***Satisfaction with Telephone Access.***
- ***Satisfaction with the Health Plan.***

# Military Health System — Measures for Success

- ***Individual Medical Readiness.***
  - **Dental readiness. All Services use the same classification system to assess and monitor dental readiness.**
  - **The IMR of each Service member will be assessed according to the following system:**
    - **Fully medically ready = current in all categories including dental class 1 or 2.**
    - **Partially medically ready = lacking only immunizations, readiness laboratory studies, or medical equipment.**
    - **Not medically ready = deployment limiting condition (including those hospitalized or convalescing from serious illness or injury), or dental class 3.**
    - **Medical readiness indeterminate = inability to determine health status because of missing health record, overdue periodic health assessment or dental class 4.**
